### Information about the speaker:

**Name** (title, first and last name) : \_\_\_\_\_

**Phone number:** \_\_\_\_\_

**E-mail:** \_\_\_\_\_

**Title of the presentation:** \_\_\_\_\_

### The language of the presentation is English.

Please assign your presentation to the following topics and fields of application:

Utilisation of green hydrogen for off-grid energy access

Women entrepreneurs and off-grid renewable energy – A status-quo check!

Energy Storage Solutions - providing uninterrupted energy supply

Technical innovations in the off-grid energy sector with wind systems

Integrated solar cooking – Opportunities and challenges for cooking with the power of sun in developing countries

Best practices on productive use of renewable energy (PURE) driven by bioenergy and micro-hydro technologies

Please note that the speakers will have up to 10 minutes for their intervention in the conference session.

**Deadline for Application: August 31, 2023**

## Abstract of the presentation

The „Standard Contract Terms and Conditions for Events “ of Messe Augsburg ASMV GmbH and additionally the „Special Contract Terms and Conditions for Events“ of Messe Augsburg ASMV GmbH (download at [www.off-grid-expo.com](http://www.off-grid-expo.com)) apply.  
The application form (i.e. the present form) that has not been completed does not constitute an offer by Messe Augsburg ASMV GmbH to conclude a contract. The selected speakers will receive a speaker agreement to sign separately.

I have took note of the "Standard Contract Terms and Conditions for Events" as well as the "Special Contract Terms and Conditions for Events" of Messe Augsburg ASMV GmbH and accept all listed points without reservation
