6. TERMS OF PAYMENT, ADVANCE PAYMENT

The payment deadlines specified in the ORDER CONFIRMATION must be met. The Messe Augsburg can stipulate advance payments of up to 100% of the total price calculated in accordance with clause 5 at the earliest 6 months before the date of the trade fair. The prior and complete payment of the invoice amounts is a prerequisite for the occupation of the digital exhibition space, for the entry in the list of exhibitors and for the other services owed by the Messe Augsburg.

All invoice amounts in all invoices issued by Messe Augsburg which refer to the event shall be transferred free of charge and in euros to the account stated on the invoice without any deductions, quoting the customer number.

For VAT reasons, invoices may only be issued to the Exhibitor as the recipient of services and contractual partner of Messe Augsburg, but not to any other invoice recipient named by the Exhibitor.

7. PARTICIPATION IN TRADE FAIRS AND OBLIGATIONS

After conclusion of the Trade Fair Participation Contract (clause 4 of the General Terms Online Participation) and payment of the participation fee, the exhibitor receives access to his digital trade fair presentation and Exhibitor profile. In addition, he will receive all the services selected under clause 5 and confirmed by the Messe Augsburg.

After the event, the Exhibitor will receive contact details of participants with whom the stand personnel have chatted or made appointments. In addition, a „Request more information“-button allows the data of interested participants to be added to the Exhibitor's lead list.

The Exhibitor must ensure at his own expense that he fulfils the technical requirements for his participation in the event.

The Exhibitor is solely responsible for the timely maintenance of his exhibitor profile.

The Messe Augsburg reserves the right to refuse to publish data or advertising material on the grounds of its content, origin or technical form for objectively justified reasons, if the content of such material violates laws, official regulations or public decency at the dutiful discretion of the Messe Augsburg, or if its publication is unreasonable for the Messe Augsburg. In doing so, Messe Augsburg shall take into account not only the content but also the overall visual appearance of the content from a qualitative and aesthetic point of view. The Exhibitor will be informed immediately if the publication is rejected.

The Exhibitor is obliged to fill his digital trade fair presence with graphics and content until 25. November 2020. The Organizer reserves the right to deactivate the Exhibitor's digital trade fair presence in the event of a delay and

Special Terms Online Participation

„OFF-GRID Expo + Conference goes digital“

failure to fill it. The claim for payment of the complete participation fees according to clause 5 remains unaffected.

If a live chat is used, the Exhibitor undertakes to occupy the live chat at his digital trade fair stand during the entire duration of the „OFF-GRID Expo + Conference goes digital“ during the opening hours of the trade fair and to answer visitors' questions during this time.

The Exhibitor permits Messe Augsburg to use his logo and the information and media provided by him within the framework of the event for the purpose of advertising for this and future events.

8. ADVERTISING

Advertising of any kind is permitted within the digital presence rented by the Exhibitor for the Exhibitor's own company and only for the products and/or services manufactured or distributed by the Exhibitor.

9. DEFECTS AND WARRANTY

The Exhibitor is obliged to check his published profile, to report defects immediately and to report any inaccuracies immediately. If, despite careful examination, a defect or incorrectness only becomes apparent at a later date, this defect must be notified immediately after it becomes known or this incorrectness must be reported immediately after it becomes known. In any case, notifications of defects must be received by Messe Augsburg at the latest seven days after the end of the „OFF-GRID Expo + Conference goes digital“. As a warranty, the Exhibitor can only demand rectification of defects. The Exhibitor can only demand withdrawal from the contract or a reduction in the remuneration if the rectification of the defect has failed, is no longer possible due to the passage of time (e.g. end of the event) or is unreasonable for the Messe Augsburg. The Messe Augsburg may refuse to rectify defects as long as the Exhibitor has not properly fulfilled his contractual obligations. If the notification of defects is made late, warranty claims shall expire completely. The same applies if the exhibitor himself makes changes or makes it unreasonably difficult for Messe Augsburg to determine the defects. Messe Augsburg does not guarantee that the profiles are available at all times in a safe and error-free manner.

The warranty period is two months. It begins with the acceptance of the service or, if acceptance is excluded due to the nature of the service, after the end of the event.

10. LIST OF EXHIBITORS

The Messe Augsburg will publish a list of exhibitors for the „OFF-GRID Expo + Conference goes digital“. For publications, the information marked in the APPLICATION (see clause 4 of the General Terms Online Participation) or in the DATA SHEET will be used.

11. RESPONSIBILITY FOR COMPLIANCE WITH THE LEGAL PROVISIONS, IN PARTICULAR WITH REGARD TO COMPETITIVE RIGHTS, INDUSTRIAL PROPERTY RIGHTS, EXEMPTION FROM LIABILITY OF MESSE AUGSBURG BY THE EXHIBITOR

The Exhibitor is solely responsible for ensuring that the data, images, texts, information, etc. and advertising(s) published at his instigation in his exhibitor profile, in the list of exhibitors, in the digital programme booklet, in any existing trade fair catalog, in the Internet database, comply with the statutory provisions, in particular competition law, and is responsible for ensuring that this data/images/information/advertising does not infringe the intellectual property rights (e.g. trademark law, copyright, etc.) of third parties. In this respect, he shall indemnify Messe Augsburg against any claims by third parties arising from the execution of the order. Messe Augsburg is not obliged to check entries and contents to see whether they infringe the rights of third parties or whether they comply with the provisions of competition law.

Should an Exhibitor violate one of the obligations mentioned in Section 11, Messe Augsburg is entitled to exclude the Exhibitor from participation. If the event has already begun, Messe Augsburg may deactivate the digital trade fair presence. The Exhibitor is further obliged to pay the full participation fees, i.e. the full registration fee as well as all services booked by him/her and any other costs incurred by him/her to the Messe Augsburg; if the Exhibitor has already paid, he/she cannot reclaim the amounts paid.

Should a third party assert a claim against the Messe Augsburg due to the illegality of data published by the Exhibitor (including pictures, information etc.), justified by an infringement of law, competition law or intellectual property rights, the Exhibitor shall indemnify the Messe Augsburg against all claims asserted and against all costs of legal defense. The Exhibitor is also obliged to this indemnification if claims are asserted on the basis of the data published by the Exhibitor, which were published

by a company additionally represented at the exhibitor's stand. Messe Augsburg is obliged to inform the exhibitor immediately if a third party asserts such claims against Messe Augsburg in order to coordinate the legal defense with the Exhibitor.

12. CIRCULAR LETTER

After admission, the Exhibitors will be informed, if necessary, by circulars about further details of the preparation and implementation of the event.

13. CHANGES

Messe Augsburg reserves the right to make changes and additions if they are necessary for technical or safety reasons.

Status: November 2020

1. USER

The user of these General terms and conditions for the online participation, hereinafter also referred to as „General Terms Online Participation“, is Augsburgischer Schwabenhallen Messe- und Veranstaltungsgesellschaft mbH, Am Messezentrum 5, 86159 Augsburg, hereinafter referred to as „Messe Augsburg“.

2 EXCLUSIVE VALIDITY; FURTHER CONDITIONS INCLUDED

These General Terms Online Participation apply, as well as all other conditions included by Messe Augsburg. Any deviating general terms and conditions of business of the Exhibitor shall not be valid.

3. BINDING NATURE OF THE APPLICATION, CONTENT OF THE TRADE FAIR PARTICIPATION CONTRACT, DUTY TO OPERATE

a) Legal obligations

The Exhibitor's APPLICATION for the event is legally binding for the exhibitor. The Messe Augsburg can accept the APPLICATION up to the conclusion of the preliminary planning of the event (usually about 6 months before the start of the event) by sending an ORDER CONFIRMATION, which at the same time represents the Exhibitor's admission, whereby a contract for participation in the digital trade fair (hereinafter referred to as „Trade Fair Participation Contract“) binding for both parties comes into being. In the event that the content of the ORDER CONFIRMATION differs from the content of the Exhibitor's APPLICATION, the contract shall be concluded in accordance with the ORDER CONFIRMATION, unless the Exhibitor objects in text form within two weeks of receipt of the ORDER CONFIRMATION. A deviating positioning on the digital trade fair platform as well as the non-consideration of special requests or particularities do not constitute a right of objection. In the event that contractual elements should change after conclusion of the trade fair participation contract, the ORDER CONFIRMATION will be replaced by a new ORDER CONFIRMATION. The order confirmations will be numbered, only the ORDER CONFIRMATION with the highest number will be valid.

In the event that a period of more than 10 working days is expected to elapse between the Exhibitor's APPLICATION and the time at which the planning stage of the Messe Augsburg is such that the CONFIRMATION OF ORDER can be prepared and sent, the **MESSE AUGSBURG** will send the Exhibitor an CONFIRMATION OF RECEIPT. This serves to confirm receipt of the application, but does not conclude or constitute a Trade Fair Participation Contract.

b) Duty to operate

The exhibitor has an operational obligation to the effect that his digital stand must be operated properly during the entire duration of the event during the fixed opening hours.

4. WITHDRAWAL OR TERMINATION OF CONTRACT

a) No ordinary termination possible, no contractual right of withdrawal of the Exhibitor

Ordinary termination of the trade fair participation contract is excluded for both parties; there is only the statutory right to extraordinary termination for good cause in the event that such cause exists. The Exhibitor shall only have the right to withdraw from the contract in the cases and under the conditions specified by law.

b) The Exhibitor is therefore in principle obliged to pay 100% of the agreed price for participation, even if he does not take part in the event, from the time of receipt of his binding APPLICATION with the Messe Augsburg, in the event of acceptance by the Messe Augsburg with the ORDER CONFIRMATION. Should the exhibitor decide not to take part in the event despite the existing contract (and his continuing obligation to pay 100% of the agreed price), he must inform Messe Augsburg immediately, in order to enable Messe Augsburg to minimize the damage caused. This is because the non-participation will result in damages for Messe Augsburg, among other things because the digital presentation areas rented out to the exhibitor may not remain free for marketing reasons, among other things, and/or by the search for a replacement participant, and also because completed preparatory work, lists created, etc. are incorrect and must be corrected.

5. EXCLUSION FROM FUTURE TRADE FAIRS IN CASE OF VIOLATION OF TERMS AND CONDITIONS OF PARTICIPATION

The Messe Augsburg is entitled to exclude Exhibitors who, despite being advised to this effect by the Messe Augsburg, violate the general terms and conditions of participation for the respective trade fair, without prejudice to all other rights, from participating in future trade fairs.

6. RIGHT OF WITHDRAWAL OF THE MESSE AUGSBURG

The Messe Augsburg may withdraw from the contract with the Exhibitor if the latter has not made payments due under the contract, and also fails to make payment within a reasonable period of grace set by the Messe Augsburg.

Messe Augsburg may also withdraw from the contract if the Exhibitor violates a contractual obligation to respect the rights, legal assets and interests of Messe Augsburg and Messe Augsburg can no longer be reasonably expected to adhere to the contract.

In all the above-mentioned cases of withdrawal by the Messe Augsburg, in addition to withdrawal, the Augsburg Trade Fair is also entitled, depending on the time at which the Messe Augsburg becomes aware of its entitlement to withdraw, to demand from the Exhibitor the lump sums mentioned under clause 5. b) as compensation for damages. The other provisions in clause 5. b) concerning compensation for damages shall also apply accordingly.

7. CANCELLATION AND DISRUPTIONS DUE TO FORCE MAJEURE OR OTHER REASONS FOR WHICH MESSE AUGSBURG IS NOT RESPONSIBLE

If the trade fair cannot take place due to force majeure, inefficiency due to insufficient numbers of exhibitors or participants for reasons for which the Messe Augsburg is not responsible, or due to other reasons for which the Messe Augsburg is not responsible, or if the Messe Augsburg cannot reasonably be expected to hold the event, and the Messe Augsburg cancels the event for one of these reasons, each party shall bear its own costs incurred up to that point. Messe Augsburg is not liable for any damage or disadvantages suffered by the Exhibitor. If the Messe Augsburg has made advance payments of costs which are to be borne by the Exhibitor in accordance with the General Terms Online Participation, the Special Terms Online Participation applicable to the trade fair or other contractual provisions, these costs shall be reimbursed by the Exhibitor. If the Messe Augsburg is forced to postpone or shorten the trade fair due to force majeure or for other reasons for which it is not responsible, this shall not constitute a right of withdrawal or termination, nor shall it give rise to any other claims, in particular claims for damages by the Exhibitor against the Messe Augsburg.

8. LIMITATION OF LIABILITY OF THE MESSE AUGSBURG

The liability of Messe Augsburg and its vicarious agents and assistants for culpably caused damage is excluded, insofar as the damage was not caused by intent or gross negligence; this does not apply to damage resulting from injury to life, body or health or the breach of essential contractual obligations, i.e. such obligations whose fulfillment is essential for the proper execution of the contract and on whose observance the Exhibitor may regularly rely. In the event of a breach of essential contractual obligations which are not based on intent or gross negligence, liability is limited to the damage which Messe Augsburg foresaw as a possible consequence of the breach of contract when the contract was concluded or which it should have foreseen taking into account the circumstances which it knew or should have known. The provisions of the Product Liability Act remain unaffected.

9. CHOICE OF LAW CLAUSE

German law applies exclusively.

10. PLACE OF JURISDICTION

The place of jurisdiction for all disputes arising from these General Terms Online Participation, from Special Terms Online Participation valid for the trade fair concerned and from other contractual terms and regulations between the parties or in connection with their legal relationship is Augsburg.

11. ELECTRONIC INVOICES, TERMS OF PAYMENT

a) The Messe Augsburg is entitled to send electronic invoices to the Exhibitor and is not obliged to issue additional paper invoices.

Messe Augsburg points out that the exhibitor must observe the special legal requirements for the storage of electronic invoices.

b) Due date

50% of all invoice amounts are to be paid within 14 days of the invoice date. The outstanding balance must be paid at the latest 6 weeks before the start of the event, unless there is no other written agreement or it results from the „Special Terms Online Participation“. If invoices are issued less than 6 weeks before the opening, they must be paid in full immediately.

c) Default of payment

From the due date, interest on arrears will be charged at a rate of five

percentage points above the base interest rate for the year. In the case of legal transactions without the participation of a consumer, the interest rate for payment claims shall be eight percentage points above the base interest rate. Messe Augsburg reserves the right to prove a higher damage caused by default.

After unsuccessful reminders and with appropriate notification, the fair management may dispose of stands which have not been fully paid for elsewhere. In this case, the provision of the stand and the issue of exhibitor passes may be refused.

12. CONFIDENTIALITY

a) Confidential information within the meaning of these General Terms Online Participation is all information, i.e. in particular also all verbal, written or electronically stored information, plans and materials which the Exhibitor receives directly or indirectly from Messe Augsburg on the basis of the present contractual relationship and which are marked as confidential or whose confidentiality results from their subject matter or other circumstances.

b) The obligation to maintain confidentiality shall not apply if (aa) there is an obligation to disclose the confidential information by order of a court, a public authority or by law, (bb) the information was already in the public domain at the time the Exhibitor obtained knowledge of it or became publicly known thereafter through no fault of the Exhibitor, (cc) the Exhibitor has obtained the confidential information from a third party without breach of his contractual obligations, provided that the third party has lawfully obtained possession of the information and the disclosure of the information does not breach any confidentiality obligation binding on him or (dd) the confidential information was developed independently by the Exhibitor.

c) The Exhibitor shall take all suitable and reasonable precautions to ensure confidentiality. Confidential information shall only be passed on to employees or other third parties who must receive it due to their work. The Exhibitor shall ensure that these persons are or will be equally obliged to maintain confidentiality.

d) The obligation to maintain absolute confidentiality takes effect back to the time of the commencement of contractual negotiations between Messe Augsburg and the Exhibitor and continues for a period of three years after the end of the cooperation. On request, documents including all copies made thereof, as well as working documents and materials, must be returned.

e) The Exhibitor shall be fully liable for all damages incurred by the Messe Augsburg as a result of the violation of the duty of confidentiality by the Exhibitor.

13. DATA PROTECTION NOTICE

Your personal data will be stored by us. We use this data for the following purposes: execution of the contracts between you and us (e.g. invoicing of the stand rental); entry of general contact data in the publicly accessible list of exhibitors; sending of advertising for future exhibitions in your industry by mail, telephone contact for the same purpose, sending of our exhibitor newsletter by e-mail. The data will not be passed on to third parties. There are no costs for this except the connection fees. Questions about data protection will be answered at datenschutz@messeaugsburg.de.

The legality of the data processing that took place until the revocation remains unaffected by the revocation.

14. SEVERABILITY CLAUSE

Should individual provisions of these General Terms Online Participation or other parts of the contractual regulations between the Exhibitor and Messe Augsburg violate mandatory law in whole or in part or be void or ineffective for other reasons, the validity of the remaining provisions shall remain unaffected.
